

## **Karin Kraemer – *The girl without hands***

Graphic Novel

Karin Kraemer's Graphic Novel adapts a famous Brothers Grimm fairy tale *The girl without hands*: A poor miller is on the phone with the devil who wants to make him rich in exchange of what's behind his mill. The miller who thinks he talks about the apple tree accepts the exchange – and does not know that his daughter also stands behind the mill. For her, a long journey is going to begin.

Karin Kraemer's illustrations are less a classic storybook as an artistic approach with plenty of room for interpretation.
